Subject GAO's list w/blanks

Jon -

Here is GAO's list of Region 6 sites, including information they pulled from the SSSR's. GAO would like our assistance in filling in the blanks for the non-highlighted sites. Am I right in thinking that this is a task for your shop?

BTW, have you been able to find out if Brenda will be available next Wed-Thu?

Regarding the discrepancy in the number of sites, I believe we had some duplications. I am working on a list to make sure GAO's list of sites we have submitted files on is the same as ours. I'll let you know what I find.

Subject Schedule for Region VI

Cynthia

Here is the schedule of the information that we are most interested in for the non-NPL defense federal facility sites in your region. The sites highlighted in yellow are those for which Region VI officials were unable to provide documentation due to the date of the site. (Again there is a discrepancy with the number of sites that you thought were not included (14) and the actual number not included (18).)

We look forward to meeting with Brenda Cook and others next week to discuss what we have found and attempt to fill in the missing gaps.

Thank you,
Amy
